

## CULINARY CLASS RULES

*The most important parts of working in the kitchen are safety and sanitation. In order to maintain both, there are strict rules in culinary.*

### **Expectations**

*Everyday students must*

- Hang backpacks on a hook, NOT on the ground*
- Bring a pencil*

*On cooking days*

- No hoodies*
- No hats or beanies*
- Must have short sleeves*
- Pull hair back*

### **Dean's List**

***Culinary at risk:*** Students marked “culinary at risk”, who are unable to participate successfully in class, will be dismissed from that week’s hands-on class activities and presented an alternate activity on prep/cooking days

***Culinary unsafe:*** Students marked “culinary unsafe” on Dean’s List will be given a class suspension that week. If the problem persists, parents will be contacted and the student will be asked to exit the class.

### **Donations**

This year, Culinary will serve approximately 500 students at Windsor Middle School. In order to maintain program viability, we are asking for a \$20 donation from families able to do so. The link to pay can be found online at our class website [mrslands.weebly.com](http://mrslands.weebly.com) or directly at <https://wms-store.myschoolcentral.com>
